We accomplish this through:

THE HIRING OF EXPERIENCED STAFF

Each of our caregivers undergo a rigorous interview, with expectations including:

- Minimum 2 years of professional experience
- At least 3 references verified
- A criminal, civil and DMV background check
- Social Security status check
- TB testing

PROVIDING ONGOING TRAINING IN:

- Observation and documentation in Daily Care Logs
- Proper body mechanics and fall prevention
- Medication assistance
- Nutrition
- Safety in housekeeping
- Personal care and hygiene assistance

CARE MANAGEMENT

Every client will be comforted to know that their Personal Care Manager is provided for free. Your PCM will be responsible for frequent home visits to track progress and to ensure that you are receiving All The Best Home Care.

Healthcare Professionals Agree...

Selecting a good home care company is about more than receiving quality care, it also protects you from assuming increased risk and liability.

— H —

All The Best Home Care is the legal employer of our caregivers and thereby assumes both the **legal and financial** responsibilities that follow. Many home care companies appear the same, but some conceal the fact that their caregivers are not legally employed by their company, leaving you personally responsible.
